TITLE	INTO THE OCEAN
GENRE	PICTURE BOOK
AGE RANGE	PRIMARY
IMPRINT	REDBACK
ARRP	\$26.99
FORMAT	HARDBACK, 32 pages, 276x238mm

It's a perfect day in the park, but there's something that doesn't belong ... When a gust of wind sends all the forgotten things tumbling and twisting and twirling down onto the beach, the hungry waves swallow them into the ocean!

Follow a discarded face mask as it journeys beneath the waves, through beautiful reefs and the depths of the Great Garbage Patch.

- Throughout *Into the Ocean*, nature simply assumes that litter 'belongs'. It becomes a 'perfect' addition to a nest, a 'favourite' food and an accepted addition to the natural environment. Only humans can know the dangers of littering and only we can assume the responsibility to stop plastic pollution and help clean up our shared planet.

- Purposefully written for read-aloud story-telling
- Non-fiction final spread for parents and educators with interesting facts
- Demonstrates our responsibility to help care for the natural environment
- Raises awareness of environmental issues
- Discusses universal themes of belonging
