What is a continent, and are there seven or five? Some continents are surrounded by water, but others have borders with each other that are often difficult to define. Did you know that the continents can move? How does this happen and what does it mean for the future of the continent you live on? Find out all about Earth's continents, how they are similar and how they differ, as well as the effect people have had on the landscapes where they live.

AUSTRALIAN STATES AND TERRITORIES

GENRE	GEOGRAPHY AND ENVIRONMENT
AGE RANGE	UPPER PRIMARY TO SECONDARY
IMPRINT	REDBACK PUBLISHING
ARRP	\$29.99
FORMAT	HARDBACK, 32 PAGES, 276x223mm

Australian States and Territories covers each of the six states and two territories. Thoroughly researched, the books provide young readers with content that is easy to access and interesting to look at. Australian Aboriginal history, culture and viewpoints have a prominent place in this book where both historic and recent sources explain the importance of the land and notable locations to Australia's Indigenous people. The economics, sustainability and government of each jurisdiction are covered in detail. The section on the ACT explains the role of Australia's government, its systems, history and buildings.
