GENRE	INTERACTIVE FICTION, FAIRY TALES
AGE RANGE	GRADES 3-5
IMPRINT	CAPSTONE
ARRP	\$14.99
FORMAT	Paperback, 112 pages, 190x133mm

It's a tale as old as time. But what happens when Beauty is a real beast? Or when the prince is an android? Navigate your way through three twisted classic fairy tales. Multiple endings let children pick their own outcomes and take control of the story and the characters' actions. Children are also encouraged to read more, as they go back and see what would have happened if they had chosen a different path to follow. The classic tales have a modern twist, with characters who are strong and resourceful.
