AUD \$26.99

HB ISBN 978-1-922322-92-0

Angry ants, curious caterpillars and elegant elephants are just some of the magnificent creatures you will meet in *My Amazing Animal Alphabet Alliteration Book*. Follow along from A to Z and become immersed in incredible illustrations and clever alliterations to ignite the imagination of the reader.

HB ISBN 978-1-922322-93-7

Curlew's lonely shrieking frazzles his friends. They beg him to try fancy dancing to woo a mate, sending him to the best birdy dancers in the bush. But clumsy Curlew can't find his groove - until the right bird comes along...

Alison Stegert  
& Sandra Severgnini  
Hardback, 32 pp,  
230x240mm  
AGES 2+  
Picture Book  
AUD \$24.99

The Big Book of Australian States and Territories covers each of the six states and two territories. Thoroughly researched and up-to-date, the book provides young readers with content that is easy to access and interesting to look at. Australian Aboriginal history, culture and viewpoints have a prominent place in this book. A combination of text and photographs from both historic and recent sources explains the importance of the land and notable locations to Australia's Indigenous people. The economics, sustainability and government of each jurisdiction are covered in detail. The section on the ACT explains the role of Australia's government, its systems, history and buildings.

# AUSTRALIA'S REMARKABLE WILDLIFE

John Lesley  
Hardback, 32 pp,  
277x223mm  
AGES 8+  
Biology  
AUD \$26.99

Australia has been an island continent surrounded by oceans for millions of years. During this long, long time, its animals have evolved into species that are unique and precious. Covered with feathers, fur, spikes or scales, Australia's wild creatures can be beautiful, frightening and even dangerous. Find out about Australia's remarkable wildlife in this series, then look at them in a whole new way.

# SPECIAL DAYS

The Special Days series looks at some of Australia's important days, the history behind each day, and how Australians celebrate or commemorate the day. Inside each book you'll find statistics, fun facts and photographs, as well as current information on how each special day plays a part in Australia's rich culture. Every book is a valuable resource designed to support Australian students and teachers, and cover Australian Curriculum topics.

STEM stands for science, technology, engineering and mathematics, and it is not just for scientists. The existence of the whole Universe, including us and our daily lives, can all be described with the wonderful scientific facts that make up the topics included in STEM. In this series, you will find out how easy STEM is to understand, and also discover how you can see it in action every second of every day.

# MIGRATION TO AUSTRALIA

People have been seeking a new life in Australia's cities and country regions from the colonial era up until the present. Learn why they chose Australia as their destination, why some people choose to leave their homelands and how thousands of migrants have contributed to making Australia the nation it is today.

# EXPLORERS OF AUSTRALIA

This series delves into the interesting stories behind the exploration of Australia. Find out about the kangaroos kept by Emperor Napoleon's wife, and the cat that circumnavigated Australia with Matthew Flinders. With historic illustrations and easy-to-understand timelines, Explorers of Australia turns dusty history into fascinating stories.

# HOW WE USED TO LIVE IN AUSTRALIA

Australia's style of living is very different today, to what it was in the past. The Australian Aboriginal lifestyle and that of the first colonists provide intriguing stories of the tools that were used and how they have gradually evolved to depend on gadgets and other modern ways of life that our ancestors would find amazing.
